

**Description** Beginner friendly routes. Easy routes and lots of bolts. Routes have tags with their names on them. Additional sectors can be found at [climbers-paradise.com](http://climbers-paradise.com). Overall there are 14 routes.

Do not follow the approach as drawn on the map at [climbers-paradise](http://climbers-paradise.com); simply follow the signage starting at Pertisauer Straße and you can't miss it.

**Approach** 15 minutes or less  
 Park at "Achensee Seespitz" or at Pertisauer Straße. Follow the signs to "Klettergarten". There's a sign across the "Karwendel Camping" campground where you need to branch off the street onto the fire road. There's another sign where you need to branch off to a small trail. Last part of the approach is a little steep.

**Height** 15m
